Dean’s Directive on Reducing the Risk of Coronavirus Infection

DD_2021_01

Based on Rector’s Order No. 21/2020 on reducing the risk of coronavirus infection – rev. 4, Article I, paragraph 3, I establish the following additional and more restrictive provisions to carry out the Order:

A. As of March 19, 2021 until further notice, access to the CTU FEE buildings is limited to the activities necessary to ensure the immediate operation of the faculty, in particular:
   1. basic operation of buildings, for which the head of the Office for Building Management (TPO), building managers and head of the IT center (SVTI) are responsible,
   2. urgent technical and construction work,
   3. ensuring the necessary administrative activities of the Dean’s Office and workplaces,
   4. providing necessary instruction, which cannot be run remotely from home.

B. Physical presence in the workplace is only possible if the employee or student:
   1. demonstrates that he/she has undergone a test (RT-PCR, antigen or other currently recognized by the Ministry of Health) for the presence of SARS-CoV-2 virus in the last 7 days with a negative result,
   2. has undergone a case of laboratory-confirmed COVID-19, the isolation period has expired according to the valid emergency measure of the Ministry of Health of the Czech Republic, shows no symptoms of COVID-19, and since the first positive RT-PCR test for SARS-CoV-2 or POC antigen test for the presence of SARS-CoV-2 virus antigen no more than 90 days have elapsed,
   3. has been issued a certificate from the Ministry of Health of the Czech Republic for vaccination against COVID-19 and at least 14 days have elapsed since the application of the second dose of the vaccine in the case of a two-dose schedule according to the SPC vaccine in the case of a single dose schedule under the SPC, at
least 14 days have elapsed and the vaccinated person does not show any signs of COVID-19,

4. the employee has undergone a preventive test to determine the presence of SARS-CoV-2 virus antigen through a test provided by his/her employer and the result is negative.

In Prague on March 18, 2021

prof. Mgr. Petr Páta, Ph.D.
dean of the CTU FEE in Prague
